

RESOURCE GUIDE:

All Photos are found on **Pexels.com** a free place to find open source photos to use on any designs without needing to give a reference. If you find any link to no longer be active, please feel free to let me know so I can find a replacement or a new location to find that photo.

Girl

The original photo used in the lessons has been taken down. I came up with a few options for replacement photos. You would move through cutting these girls out in a similar fashion then the one in the course lessons. Feel free to use your own photos as well for any of the projects in this course. Pexels.com is a great place to get started finding free photos.
